description:

The central 124-square-meter house is divided into three floors. The ground floor, consisting of two bedrooms, a living room and a bathroom. The first floor, consisting of two other large bedrooms and the kitchen, fully equipped and of high quality. And finally, the second floor where the second bathroom is located, a storage room with large storage capacity and the wonderful terrace, from which you can get magnificent views of Castillo de Luna.

The house was renovated approximately 8 years ago, completely changing the electricity and water installations. In addition to adding Splits of air conditioners that keep the house at the ideal temperature.

It has several extras. All rooms have natural ventilation. And, it is just a few minutes from all the services that Alburquerque offers us. Real Estate Agency, Financing and General Insurance RDQ Professional Services.
